

Featured Nature Tours

November

Sunset Kayak

Saturday, November 7th
4:00pm
\$60 per person

Explore the marshes of Amelia Island while our naturalists identify a variety of plants and animals. Continue on to the beach and learn how dunes are formed, the function of barrier islands and beach ecology.
Be on the look out for sharks' teeth, shells and shoreline critters!
Meet at the Nature Center.

Moonlight Kayak

Wednesday, November 25
4:30pm
\$60 per person

Enjoy the sun setting over the scenic marsh. Join our naturalists and identify birds flying in for the night and learn the unique aspects of their salt marsh habitat.
Must be at least 8 years old to participate.
All skill levels welcome. Single and double kayaks available.
Meet at Walker's Landing.

Sunset with Amelia's Birds

Saturday, November 21st
4:30pm
\$10 per person

Sunset is one of the best times to observe Amelia's birds as they feed and roost. Our naturalists will introduce novice birders to the basics or help experienced birders add to their life lists!
Meet at the Nature Center.

Amelia at Night

Saturday, November 28th
5:00pm
\$10 per person

Discover the sights and sounds of Amelia Island at night! Let our Naturalists introduce you to the best wildlife around. You never know when owls, bats and other nocturnal critters might stop to check YOU out!
Meet at the Nature Center.
